

Complaints Handling

QUALITY AREA 7: GOVERNANCE AND LEADERSHIP

Policy Statement

Our Education and Care Service affirms that people have a right to question and influence decisions made and services provided. We take complaints seriously and manage them in a confidential, timely, transparent and meaningful way. We achieve this by:

- < Maintaining the confidentiality of all parties in line with policy and legislative requirements.
- < Acknowledging that the common goal is to achieve an outcome acceptable to all parties.
- < Acting in good faith and in a calm and courteous manner.
- < Showing respect and understanding of each other's point of view and value difference, rather than judge and blame.
- < Recognising that all parties have rights and responsibilities which must be balanced.
- < Complaints will be handled objectively and complainants will not suffer any reprisals from making a complaint.

Goals / What are we going to do?

Our service values the feedback of educators, staff, families and the wider community as a mechanism to support the continuous improvement of our service.

Strategies / How will it be done?

Making a Complaint

- < Written guidelines detailing complaint procedures are available in our services family handbook.
- < Families may make a complaint directly to the Nominated Supervisor, the Director, the Approved Provider or the child's educator.

Responsiveness

All complaints will be acknowledged and responded to as soon as practicable. Complaints will be dealt with in a timely manner and complainants will be kept informed about the progress of their complaint and anticipated timeframes. Allegations of suspected harm or risk of harm to a child or possible victims of crime, will be actioned immediately by urgent referral or reporting to the relevant agency.

Refer to ACECQA for relevant timeframes: <https://www.acecqa.gov.au/resources/applications/notification-types-and-timeframes>

Managing a Complaint

Where possible, complaints will be dealt with immediately, by the Nominated Supervisor as this is usually the person with the closest relationship with the family. If the complaint is about an issue that the Nominated Supervisor considers to be outside their control, or the family does not feel they wish to share it with the Nominated Supervisor, the complainant will be directed to the appropriate person for their complaint to be resolved.

Alternatively, the complaint can be mailed to The Director, Tottenham War Memorial Early Childhood Centre, PO Box 88, Tottenham NSW 2873.

Where the person handling the complaint believes they will have to share in confidence with another person in order to resolve an issue, or if the nature of a complaint requires that a third party has to be informed in order to meet legislative requirements, they will inform the family of the need prior to any further discussions on the matter.

◁ The complaint will be documented and any legal requirements in relation to the complaint considered, such as the need to notify regulatory authorities.

◁ The complainant will be asked to provide information regarding how the situation could be rectified to their satisfaction.

◁ If possible, the problem will be resolved immediately. If this is not possible, the complainant will be advised that the issue will be given high priority and dealt with as soon as possible.

◁ If the issues are complex the complainant will be asked to put their concerns in writing.

◁ Where mediation is required all parties will have the right to agree to the appointment of the mediator.

Notifiable Complaint

Complaints alleging that the safety, health or wellbeing of a child was or is being compromised, or that the law has been breached must be reported by the Approved Provider to the Regulatory Authority within 24 hours of the complaint being made (Section 174(2)(b), Regulation 176(2)(b)).
