Excursion:

The MPS visit last week was a great occasion. The children were very well behaved and their double item of the Wheels on the Bus go Round and Round was the best I have ever seen them do. Well done.

Outstanding Forms:

We still have 4 families with outstanding information from their enrolment forms. We have 11 families who have not returned their Centre Expectation 2017 signed note. I will send out emails to families notifying them of their responsibilities and attach any required information.

Next year it may be a consideration to not enrol your child until these requirements are completed fully. This would occur in nearly all other Centres.

LUNCH: Thursday 11th May we will be doing hot day lunch for all the children. Please do not send in lunches for that day unless your child has a dislike of hot dogs with sauce.

Read aloud in May 2017 – This is the month for reading. We would like to encourage our children to borrow books. Our Library section has been changed with books and we would like families to send in a bag or pillow case for borrowing. We like books and it is a great relaxation for children before bed and is time for parents to read and relax with you child or children.

REMINDERS:

- ❖ Enrolment extras
